

100 PUSH-UPS A DAY IN NOVEMBER

HOW THE CHALLENGE WORKS:

Set up your fundraising page!

Be sure to personalise your page and let people know why you're participating. Share your challenge progress here throughout the challenge using pictures, videos, or just posting an update. Find the link to create yours in the challenge group!

Share your page now!

People can't say yes to donating if you don't ask them. An easy way to ask is by sharing your page – just copy the URL of your fundraising page and share with your social network.

Donate to your own page.

Donating even a small amount to your own page shows people that you really care about what you're doing and will encourage others to do the same!

Know where to post updates.

You can post your progress to your fundraising page. You can also post in the group if you are looking for support, inspiration, or ideas on fundraising and completing the activity.

Thank your supporters!

Don't forget to thank your friends, family and everyone who has donated to you. You will get an email notification when someone has donated, so make sure to reach out and say thank you!

A large, light purple line-art illustration of a person in a push-up position is overlaid on the calendar grid. The person's head is down, arms are extended to the ground, and their body is in a low, arched position. The illustration spans across the middle of the calendar grid, with the person's hands positioned under the numbers 25 and 29.
